

## GoldenRod Fuel Filters

### GR-495 CLEAR BOWL FUEL TANK FILTER:

For removing microscopic contaminants from fuel (10 microns).

- 150 PSI working pressure  
High Impact plastic see-thru bowl.
- Heavy duty zinc top cap provides durability and excellent seal.
- 10 micron filter media.
- For use with petrol and diesel fuels. Water and sediment drain valve.
- 1" FBSP pipe connections.
- 100mm diameter x 242mm high.

Options:  
GR470-5 Replacement Element

**Part No: GR495**

### GR-496 WATER BLOCK CLEAR BOWL FUEL TANK FILTER:

Filters and removes water from petrol and diesel fuels. 15 micron water absorbing polymer filter.

- 150 PSI working pressure  
High Impact plastic see-thru bowl.
- Heavy duty zinc top cap provides durability and excellent seal.
- 15 micron filter media.
- WATER-BLOCK filter blocks water from penetrating the filter and entering the fuel system.
- For use with petrol and diesel fuels. Water and sediment drain valve.
- 1" FBSP pipe connections.

Options:  
GR496-5W Replacement Element

**Part No: GR496**

### GR595 SPIN-ON CANISTER FUEL FILTER:

For use with Petrol and Diesel fuels with replaceable 10 micron element.

- Low cost metal canister spin-on filter element with rugged die cast zinc top cap.
- Maximum recommended flow rate 45 LPM.
- Ideal for farm, contractor, industrial and service station use.
- 10 micron filter media.
- Working Pressure up to 50 PSI.
- 1" FBSP Pipe Connections.
- 100mm diameter x 185mm high.

Options:  
GR595-5E Replacement Element

**Part No: GR-595**

### GR596W WATER BLOCK SPIN-ON FUEL FILTER:

For use with Petrol and Diesel fuels with replaceable 10 micron removing microscopic contaminants and absorbs water from fuel.

- Low cost metal canister spin-on filter element with rugged die cast zinc top cap.
- Maximum recommended flow rate 45 LPM.
- Ideal for farm, contractor, industrial and service station use.
- Water absorbing 10 micron filter media.
- Working Pressure up to 50 PSI.
- 1" FBSP Pipe Connections.
- 100mm diameter x 185mm high.

Options:  
GR596-5WE Replacement Element

**Part No: GR-596W**
